

## **Ickenham Cricket Club – News Desk – Covid19 update**

Usually, at this time of year Ickenham Cricket Club turns its attention to the coming season. There are work parties and members working behind the scenes to organise Colts and Senior Men's and Women's Cricket, with us all looking forward to the start of a new season in April.

As we are all very well aware by now we will not be going through these annual routines to get Ickenham Cricket Club up and running. Current information from Middlesex confirms that there will be no first-class cricket before 28<sup>th</sup> May. We can anticipate that the same will be the case for junior and senior recreational cricket. This includes all forms of pre-season training for Colts and Senior cricketers, so Nets and outfielders are also not to be used by our Members at all until further notice.

We will keep our Members informed of any relevant updates.

Your Club Committee will be meeting next week, in a safe way, to discuss all the relevant subjects that need our attention in order to make sure that when, hopefully, the season resumes we are ready to welcome you all back.

Our intention will be to remain in contact with our Members by e-mail, our web-site [www.ickenhamcc.co.uk](http://www.ickenhamcc.co.uk) and through social media. We are here to keep our Members up to date with this ever-changing landscape and how this impacts recreational cricket and Ickenham Cricket Club.

We are all in this together to support our Members and to help in whatever way we reasonably can.

We look forward to seeing all our members and friends again soon.

Steve

Steven Room,  
Chairman,  
Ickenham Cricket Club
